A cup of tea can be the best solution for everyday wellness

(BPT) - Before medicine and pharmaceuticals filled our remedy box, food and food ingredients were considered healing agents. Hippocrates was wise in his understanding of the special powers of food, beyond satisfying our appetites: "Let food be thy medicine and medicine be thy food."

There are many cultures that rely on herbal remedies and natural foods for everything from soothing an upset stomach to lifting our spirits when we're down, to calming jittery nerves and even fending off colds and flu.

Express Yourself: Choose Colors You'll Love Living With

You probably saw some really gorgeous paint palettes when you were out looking at homes, but I'm also betting there were a fair amount that were equally and painfully cringeworthy. You might have even said to yourself (or your agent) "who would think to mix these two colors?" or even "how is this paint color legal?" Sometimes they're just that bad. The sad truth, unfortunately, is that it's really easy to fall into the cringeworthy category when it comes to picking out
