

Now It's Time to Move!

TWO MONTHS BEFORE MOVING

- Sort through your belongings to reduce the number of things you move.
 - Have a garage sale or donate items you no longer need to charity.
 - Decide whether to move yourself or hire professionals. Make reservations with a moving company or truck rental company.
- Tip: Call three companies for estimates to compare.
- Gather packing supplies: boxes, packing material, tape, felt markers, and scissors.
 - If you're moving a long distance, make travel arrangements with the airline, hotel, and rental car agency. If you're driving to your new home, get maps and plan your travel route.

- Save all moving receipts, because some moving expenses may be tax deductible. Check the current tax code for requirements.
- Place your legal, medical, financial, and insurance records in a safe and accessible place.
